Wall-hung

Bridge is constructed to hang on the wall and is easily attached with screws. The shelf is neat and discrete but has a lot of space.

Design by: Tenzo Design studio

This product is designed by Tenzo Design studio. With nearly 90 years of experience in design and construction we have knowledge about manufacturing contemporary Scandinavian furniture to a broad international market.

Adjustable shelves

Bridge makes it easy for you to be flexible and to change your mind. The shelves are easy to move around into new positions.

A new combination can give a whole new appearance and of course all shelves will be fastened safely into the uprights when finished. The shelving system gives you many options of style and expression.
