FUNCTION

Switch on:

The earphones switch on automatically when they are removed from the charger.

Switch them off:

Tap the R/L touch sensor for 4 seconds. "Switch off" sounds.

Pairing:

When you remove the earphones from the charger, the machine switches on automatically and switches to TWS pairing mode (if not, please reset the earphones).

The earphones are paired automatically. Then search and select "LEICKE EP18208" or "LEICKE EP18210" in the Bluetooth menu of your phone.

Incoming call:

Briefly tap the R/L touch sensor to answer/end the call. Long tap on the R/L touch sensor to reject the call.

Voice Assistant:

Triple tap the l/r multifunction button.

Music control:

Briefly tap the l/l touch sensor to play or pause music.

Tap the right touch sensor for 1-2 seconds to go back to the previous track.

Tap the left touch sensor for 1-2 seconds to move to the next track.

Call last number:

Double-click the R/L multifunction button.

Low battery warning:

When the battery is low, the "Please Charge" alarm sounds and the LED flashes red, then the earphone switches to standby mode.

Charging the earphones:

Insert the earphones into the charging station.

The red LED lights up and goes out when the battery is fully charged.

Charging the charging station:

Charge the charging station using the type C cable supplied. When the battery is fully charged, the red LED is constantly lit.
