Designer: Über den traum (Asimina Saranti)

No intarsia or fair-isle or mosaic knitting. In the search for ideas, I remembered reading the book from Woolly Thoughts, and that's how I got my inspiration; using patchwork to play with geometry and shapes! Rothorn is worked flat and uses only basic stitches. Each color is a separate piece that is then sewn together with the other pieces. This design is made to work with any of the Wollmeise Birdies Kits. The size is adjustable, as more pieces can be joined to make the shawl wider and/or longer. The vibrant colors of the Rohrspatz & Wollmeise yarns really pop in this type of patchwork project.

For Rothorn, the Designer used the Birdie-Kit „Men in Tights“ in Twin. You can buy the pattern on the 22th of February for only 3,50€.
