The Wollmeise and the whole team still wish a good new year afterwards. May all your resolutions come true. We look forward to experiencing the year 2019 together with you.

# A NEW MEISENKIT

Our Meisenkit contains exclusive patterns for Wollmeisen artworks of all kinds - whether knitted, crocheted, ... or whatever appeals to our designers. Our designer Julia Hegenbart once again designed a breathtaking design for Rohrspatz & Wollmeise. The blogger, also known as „Feinmotorik“ on popular social media channels, names her designs by song titles. Inspired by the Wollmeise birdie-set „Arielle“, this beautiful piece of knitwear was created to match the soundtrack „Under the Sea“. The pattern + birdie set „Arielle“ will be available from Friday the 25.1 in our weekly update from 8:00 clock for 48,50 €.
