

Hello everybody,

The hot summer is finally over and I'm looking forward to a beautiful autumn with chestnuts gathering, hot tea and new projects on the needles.

Exclusive Newsletter-Offer

As a small thank you for your diligent newsletter reading, I have put together 5 Blend combinations for you, because now is just cashmere-cuddle time again.

The combinations each contain a semi-solid skein and a matching multicolour skein from our Harmonista collection.

To sweeten the beginning of autumn you get the sets **each for 55,00€** instead of 62,40€.

If you click on the pictures you will get directly to the product page and can choose your favorite combination. [You can see the combinations only in the shop, if you click here on the link.](#)

Do you need some ideas what to do with the combinations? How about:

[Walk your Way](#)
[Melanie Berg](#)

[Match & Move](#)
[Martina Behm](#)

[At dawn](#)
[Joji Locatelli](#)

The offer is valid as long as the stock lasts or until the end of October.

Wollmeise Advent Calendar

Please do not forget to get your [Advent Calendar](#) now. Also think of husbands, friends, ..., who could give it to you as a present, as a Christmas present on installments ;-)

So far, Rainbow Jewel Tones is slightly ahead. I'm curious which rainbow will be your favorite.

The last preparations are made and we are already massaging our hands for bagging the packages.

Knitting Festival Fanö

It was our first participation in Fanö and, what can I say, we'll definitely be back. We made nice new contacts, laughed, sweaty, frozen,

Thanks a lot to all, who has visited us. For all others here are a few impressions:

Our well assorted booth – now we can start

Here you can get a good impression from the weather – a bit from everything.
