DORINA

LOVE YOUR CURVES

NAME, FEMININE – “GIFT” OR “GIFT OF GOD”

Like our name suggests, we believe all bodies are a *gift*.

We have been embracing and enhancing natural beauty with affordable, quality design since 1968.

DORINA supports women of all shapes and sizes. Whether large or small, our brand encourages women to love their shape and celebrate themselves for exactly who they are.

Curves are our body's lines.

Our new look speaks to all kinds of curves in an inclusive, celebratory and ownable way, spreading the joy of accepting your body for the gift it is – exactly the way Mother Nature intended.

No two bodies are the same, fact. The world is a gorgeous melting pot of shapes and sizes:
littler and larger, straighter and curvier, taller and smaller.

But, among the differences, there is one commonality that unites us all.
That your shape is just that – yours.

You own it, we adore it.
And so should you.

Together, let's bring love to every curve with
