

EU Declaration of Conformity

Document No.: CB-DOC-20260401

Issue Date: April 2026, Zhengzhou, China

1. Product Identification

Product Name: Creatbot 3D Printer

Applicable Models: PEEK-250, PEEK-300, D600Pro3 HS, D1000 Pro HS

Product Category: Information technology and electronic equipment for commercial and industrial use

Serial Number Range: From 13001-00-00001 to 13999-00-99999

2. Manufacturer Information

Manufacturer: Henan Creatbot Technology Limited

Address: No.150 Lamei Road, Zhongyuan District, Zhengzhou City, Henan Province, China

Email: info@creatbot.com

3. Authorized Representative Status

- Declaration issued by the manufacturer
- Authorized representative established within the European Union

4. Statement of Compliance

We, Henan Creatbot Technology Limited, hereby declare under our sole responsibility that the products specified above comply with all essential health, safety, electromagnetic compatibility and cybersecurity requirements of the applicable European Union regulations and directives.

The CE marking has been affixed to the above-mentioned products in accordance with EU conformity requirements.

5. Applicable EU Regulations & Directives

Cybersecurity Regulation: Regulation (EU) 2023/1230 of the European Parliament and of the Council of 14 June 2023 on cybersecurity requirements for products with digital elements

EMC Directive: Directive 2014/30/EU of the European Parliament and of the Council on electromagnetic compatibility

LVD Directive: Directive 2014/35/EU of the European Parliament and of the Council relating to the making available on the market of electrical equipment designed for use within certain voltage limits

6. Harmonized Applied Standards

The conformity assessment is based on the following harmonized European standards:

EN 62368-1:2014+A11:2017 (Audio/video, information and communication technology equipment – Safety requirements)

EN 55032:2015+A11:2020 (Electromagnetic compatibility of multimedia equipment – Emission requirements)

EN 55035:2017+A11:2020 (Electromagnetic compatibility of multimedia equipment – Immunity requirements)

EN IEC 61000-3-2:2019 (Limits for harmonic current emissions)

EN 61000-3-3:2013+A1:2019 (Limitation of voltage changes, voltage fluctuations and flicker)

7. Cybersecurity Compliance Statement (Network-Connected Models)

For all network-connected Creatbot 3D printer models listed above, the manufacturer confirms full compliance with the cybersecurity obligations defined in Regulation (EU) 2023/1230. The product implements effective technical safeguards including secure data encryption, hierarchical access control, firmware integrity protection, network attack resistance, and regular vulnerability maintenance mechanisms to ensure cybersecurity robustness during the product lifecycle.

9. Signatory Information

Issue Place & Date: Zhengzhou, China, April 2026

Name: Baohua Chen

Position: Authorized Signatory / General Manager

Statement of Authorization: I am fully authorized by Henan Creatbot Technology Limited to issue this Declaration of Conformity on behalf of the company.

Signature & Company Stamp: 2026/4 Baohua Chen
